3rd International Conference on
Emerging Practices in Software Process
& Architecture (SOFTPA 2024)

March 16 ~ 17, 2024, Vienna, Austria

Call for Participation

We invite you to join us in **3rd International Conference on Emerging Practices in Software Process & Architecture (SOFTPA 2024)**

This Conference is an emerging practice in Software Development life cycle adopted by various software organizations to develop an environment of continuous deployment and delivery within time. There are several software development processes that practice the concept of continuous improvement and automation to maintain the operational stability and smooth flow of software delivery.

Highlights of SOFTPA 2024 include:

- 10th International Conference on Computer Science, Information Technology and Applications (CSITA 2024)
- 10th International Conference on Data Mining and Applications (DMAP 2024)
- 10th International Conference on Image and Signal Processing (ISPR 2024)
- 10th International Conference on Networks, Mobile Communication (NMCO 2024)
- 10th International Conference on Artificial Intelligence (ARIN 2024)
- 5th International Conference on Networks, Blockchain and Internet of Things (NBIoT 2024)
- 5th International Conference on Machine learning and Cloud Computing (MLCL 2024)
- 4th International Conference of Education (CONEDU 2024)
- 7th International Conference on Natural Language Processing and Trends(NATAP 2024)

Registration

Non-Author/Co-Author/ Simple Participants (No Paper)

250 EURO (Face to Face) / 100 USD (online)
